

# Practising Spanish at Home

**Dunottar School**

This PowerPoint is FULL of ideas! Have a look through and maybe pick a new idea every day or every week. You could write your own list of ideas that you want to try so you can keep up your Spanish during the holidays. Have fun and do share any other ideas that you may have!

- Do a virtual tour of a city in Spain or South America. Why not work your way through the capital cities first!
- Watch any of the ideas on next slide with Spanish audio on Netflix (with subtitles if you like) and produce a poster to advertise it
- Find out about a famous monument in a Spanish speaking country and recreate it – draw it, build it, whatever you like!
- Get musical on Spanish lyrics training website here, just choose a song and pick a level to play! <https://lyricstraining.com/es/genre/pop>
